## **APPLICABILITY**

All DFA employees are subject to this provision, including temporary employees.

## **POLICY**

DFA employees are prohibited from posting to social media sites using DFA-owned IT equipment or using a DFA email account to register for access with a social media site unless prior approval is received through DFA's Director of Communications. When engaged in any form of social media, DFA employees must not reveal any confidential information related to their position or the agency. All postings and responses, including photographs and messaging of any type, on the official DFA social media pages, will be made by the DFA Director of Communications. ## **COMPLIANCE**

Inappropriate or unacceptable postings, disclosures, or other activity on any social media account by a DFA employee is grounds for disciplinary action up to and including termination.
