

**STATE OF ARKANSAS
SEARCH AND RESCUE
MEMBER CERTIFICATION FORM**

An applicant for a special search and rescue license plate must submit this completed member certification form along with any other documentation normally required for vehicle registration. The president or vice president of the search and rescue team of which the applicant is a member must sign the form.

Registration is restricted to passenger cars, all ½ ton and ¾ ton pickups, and one (1) ton pickups that are used strictly for personal transportation and not used for commercial purposes of any type. An applicant may register no more than one (1) vehicle with a special search and rescue license plate.

NAME OF SEARCH AND RESCUE MEMBER

ADDRESS

CITY, STATE, ZIP

The person named herein is a member of the search and rescue team of _____
County Arkansas.

Signature of President or Vice President _____ Date _____

General Information

The special search and rescue license plate may be obtained only at the Special License Unit in Little Rock at the following addresses:

IN PERSON

Ragland Building
Special License Unit
Room 1040
Little Rock, AR 72201

BY MAIL

Department of Finance & Administration
Special License Unit, Room 1040
P.O. Box 1272
Little Rock, AR 72203

The plate may be renewed at the applicant's local Revenue Office or by mail and may be transferred to another vehicle in the applicant's name or to a newly acquired vehicle to be registered in the applicant's name at the local Revenue Office.

If an applicant is requesting the special plate for a vehicle already in his name that has a current regular license plate, he or she may replace it with the special search and rescue plate by submitting a copy of their current registration certificate, \$1.00 for replacement fee, and the \$35.00 special fee. **If the vehicle does not have a current license plate, other documents may be required and the applicant should contact their local office or call (501) 682-4692 for further instructions.**
